

# Privacy Policy for ABC Maestro

## Introduction

This Privacy Policy is designed for E-Glas Ltd, located at Miroslava Krleže 4, 51000 Rijeka, Croatia. It governs the privacy terms of our software, ABC Maestro, both under the Pro and Home licenses.

## Data Collection and Usage

ABC Maestro is committed to protecting your privacy. We do not collect any personal data from our users. Our software is designed to function without the need for personal data, distinguishing it from typical SaaS (Software as a Service) models that often require personal data for subscription management.

## Licensing and User Information

Upon acquiring a license for ABC Maestro, users are not required to provide any personal information. This applies to both the Pro and Home versions of the software. The license activation and usage do not involve any data collection, ensuring maximum privacy for our users.

## Third-Party Purchase Inquiries

If you have purchased ABC Maestro through a third-party vendor or reseller, you may also direct your privacy-related inquiries or concerns to them. They are informed about our privacy practices and can assist in providing additional information or support.

## Commitment to Privacy

E-Glas Ltd is dedicated to maintaining the privacy of ABC Maestro users. We believe in building software that respects your right to privacy and does not compromise it in any way.

## Contact Information

For any inquiries or concerns regarding this privacy policy, please contact E-Glas Ltd at the following address: Miroslava Krleže 4, 51000 Rijeka, Croatia. Additionally, you may contact the party from whom you purchased your ABC Maestro license for further assistance.

## Policy Updates

This Privacy Policy is subject to change. Any updates or changes to our privacy practices will be posted in a timely manner. It is the responsibility of the users to stay informed about our privacy practices.

## Final Statement

By using ABC Maestro, you acknowledge that you have read and understood this Privacy Policy and agree to its terms.
